Co-funded by the European Union

International Conference

Living Terraced Landscapes Perspectives and strategies to revitalise the abandoned regions

14-15 February 2008, Ljubljana, Slovenia

Opening by **Branka Tome**, the State Secretary of the Ministry of Agriculture, Forestry and Food of the Republic of Slovenia
Peter Vrisk, the President of the Chamber of Agriculture and Forestry of Slovenia

1st Panel: Natural hazard

General framework & Chair: **Mihael Ribičič**, Slovenia,

Anja Musek, Slovenia: "Sustainable slope and geotechnical works"

Gerardo Brancucci, **Gioia Gibelli**, **Francesca Neonato**, Italy: "Characterization of terraced areas finalized to assessment of landslide hazard"

Ana Petkovšek, **Jure Klopčič**, **Bojan Majes**, Slovenia: "Terraced landscapes and their influence to the slope stability"

Mateja Jemec, **Marko Komac**, Slovenia: "Landslide susceptibility in Slovenia on general and vineyard related landslides"

Blaž Komac, **Matija Zorn**, Slovenia: "Landslide hazard in the Goriška Brda hills"

Andrea Ninfo, **Paolo Mozzi**, Italy: "Hazard evaluation in terraced areas of the Brenta Valley: A LiDAR based approach"

Tiziana Apuani, **Emanuele Catelli**, **Marco Massetti**, **Daniele Pedretti**, **Alessio Conforto**, Italy: "The infiltration process in a terraced slope; experimental and numerical analysis of hydrogeological and geotechnical aspects"

Anuška Štoka, Joint Technical Secretariat: "Interreg IIB / Territorial Cooperation, Alpine Space Programme"

Fabio Croccolo, Italy: "The Italian participation in the "Alpine Space" Programme: Results and perspectives"

Margarita Jančič, **Tomaž Miklavčič**, Slovenia: "Endogenous potentials and capitalisation of results of Interreg IIB"

2nd Panel: Agricultural production

General framework & Chair: **Eric Roose**, France: "Terracing in Africa: Typology, efficiency, limits and perspectives"

Lučka Ažman Momirski, **Drago Kladnik**, Slovenia: "Terraced landscapes in Slovenia"

Andreja Škvarč, **Ivan Kodrič**, Slovenia: "Vineyards and orchards on terraces in Primorska region"

Simona Hauptman, **Roman Štabuc**, Slovenia: "The possibilities of revitalisation of the terraced vineyards in Podravje"

Andrej Rebernišek, **Stanislav Leskovar**, Slovenia: "Is it possible to maintain vineyards on steeper slopes with mini terraces?"

Silvia Stanchi, **Michele Freppaz**, **V. Revel-Chion**, Italy: "Terraced agriculture: Anthropogenic effects on soil characteristics"

Opening by **Viktor Pust**, the President of the Chamber of Architecture and Spatial Planning of Slovenia
Peter Gabrijelčič, the Dean of the Faculty of Architecture, University of Ljubljana

3rd Panel: Tourism promotion

General framework & Chair: **Christophe Clivaz**, Switzerland: "Tourism and landscape: Between conflict and common interests"

Arne Arnberger, **Renate Eder**, Austria: "Tourism potentials and strategies for the terraced landscapes of the Alpine Arc"

Jelka Hudoklin, Slovenia: "Terraced landscapes: Areas of landscape identity in changing processes"

Lisa Garbellini, Italy: "Tourism offer in terraced areas"

Andrée Dagorne, France: "Study of the terraces to a reflection on the European and Mediterranean co-operation"

Philippe Pypaert, UNESCO: "The natural and cultural assets of sound territorial development"

4th Panel: Strategies and policies

General framework & Chair: **Enrico Fontanari**, Italy: "Issues in recovering terraced landscapes"

Pierre Donadieu, France: "Terraced landscapes in Europe: Why, for whom & how?"

Franz Höchtl, **Claude Petit**, **Werner Konold**, Germany: "The Historical Vineyards Project: Winegrowing, heritage conservation and nature protection in tandem"

Liljana Jankovič Grobelšek, Slovenia: "Is living in the vineyards a problem that could be solved?"

Silvio Werder, **Dominik Alig**, Switzerland: "Bregaglia: Regional policy and planning"

Anton Prosen, **Anka Lisec**, Slovenia: "Conservation of terraced landscape as protection of soil against erosion"

Marina Pintar, Slovenia, **Andrea Knierim**, **Hubert Wiggering**, Germany: "Research, development and implementation in rural landscapes"

The Conference is organised by the University of Ljubljana, Faculty of Architecture; Urban Planning Institute of the Republic of Slovenia and Regione Veneto.
